**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

What makes America so strong is competition!! What's happened to all those small businesses? They are all being eaten up by huge, monopolizing companies. I would like to have the choice of smaller companies and competitive prices. I'm pretty fed up with big business, contracts, fees for this, fees for that!! Cost of internet and telephone services have increased non stop, not to mention access to television! I heard about Sonic a few years ago and couldn't wait until I could have access to them.

Let's get back to choices in America! No more monopolies. We need freedom to choose!
